One of the lenders of JPL vide its letter dated 24th April, 2018 invoked corporate guarantee to the extent of USD 252.00 Million (equivalent of Rs.1,91,269 lakh) as JPL has defaulted in servicing its borrowings towards principal and interest thereon, Company has denied above invocation and is of the view that above corporate guarantee was valid only up to one year from the Commercial operation date i.e. 31st March, 2017 and all obligation of the Company towards above lenders stand rescinded, have fallen away and ceased to exist as on 1st April, 2018. In view of the above, invocation of corporate guarantee on 24th April, 2018 is not legally tenable and hence no provision is required towards the guarantee so invoked. Company has discontinued recognition of guarantee commission w.e.f. 1st April, 2018. The same has been referred by the auditors in their report on the results and was also referred by the auditors in their reports on the financial statements & results for the earlier years/ quarters.

In light of above, management has carried out impairment testing and decided to make full provision against total exposure of Rs. 1,05,722 lakh.

Further, the Company has discontinued recognition of interest income on Inter-corporate deposits amounting to Rs. 78,139 lakh given by it to JPL w.e.f.1st April 2018 and accordingly interest income for the quarter ended 31st March, 2022, for the quarter ended 31st December, 2021, for the quarter ended 31st March, 2021, for the year ended 31st March, 2022 and for the year ended 31st March, 2021 is lower by Rs. 2,408 lakh, Rs. 2,459 lakh, Rs. 2,275 lakh, Rs. 9,522 lakh and Rs. 9,548 lakh respectively.

The same has been qualified by the auditors in their report on results and was also qualified by the auditors in their reports on the financial statements & results for the earlier years/ quarters.

6 The Company has under gone severe financial stress during the last 4-5 years due to suspension of operations of its subsidiary JPL, rising crude oil prices and undesirable market conditions. Further one of the operational creditors has applied before NCLT, under the Insolvency and Bankruptcy Code, 2016, which has not been admitted and also one of the lenders application before NCLT under the Insolvency and Bankruptcy Code, 2016, has been dismissed and disposed off by the Court. However, the said lender has filed further appeal before NCLAT, which has been subsequently withdrawn vide order dated 12th November 2021.

All the plants of the Company are operational and the management is of the view that above circumstances will not affect the operations of the Company and hence continue to prepare its financial statements on going concern basis. - 9 The outbreak of corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company's operations and revenue were impacted due to COVID-19. However, it has no further significant impact with respect to COVID 19 pandemic during the quarter and year ended March 31, 2022.
- 10 One of the operational creditors of JBF RAK LLC, situated at UAE (JBF RAK), a subsidiary of the Company, had made an application before the National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code, 2016 against the Company, for supply of raw materials to JBF RAK and claimed an amount of Rs. 12,848 lakh (US\$ 19,899,091.53) as per notice dated 17th February, 2020. Management is of the opinion that in view of the on-going negotiations with the above creditor by JBF RAK and based on past settlement by the Company with above creditor in respect of raw material purchased by the Company, there will be no liability on account of it to the Company and hence no provision is required towards above claim. The Company has also received demand notice from CFM and Tamil nadu Mercantile Bank Ltd (vide letter dated 23rd November, 2021), under Section 13(2) of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 ("Sarfaesi Act") and the Rules framed thereunder for recovery of their dues. In response, to the demand notice u/s 13(2) of the SARFAESI Act, 2002.

The Company has given an "in-principle" consent of handing over the secured assets of the Company to CFM, subsequently CFM has taken symbolic possessions of all the secured assets of the Company on 11th November, 2021. Currently, CFM is managing/monitoring the day-to-day plant & corporate operations. Further, the Company was in receipt of an intimation from CFM on 11th May 2022, for sale of Secured Assets by way of private treaty under the SARFAESI Act, 2002. The said intimation of sale mentioned the date of sale as 13th June 2022.

Further, the Net worth of the company has turned into negative to Rs. 97831 Lakhs as on 31.03.2022.

These conditions, along with other matters as set forth in above notes indicate the existence of material uncertainty that may cast significant doubt about Company's ability to continue as a going concern. The appropriateness of assumption of Going Concern is critically dependent upon the Company's ability to raise finance and generate cash flows in future to meet its obligation.

Our opinion is not modified in respect of this matter.

Emphasis of Matter

The company has denied above invocation and is of the view that above invocation is not tenable for the reasons explained therein and hence no provision against the claims under the invoked corporate guarantee is considered necessary.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of

our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and where applicable, related safeguards.
