This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Interest not provided for as at 30th September, 2020 is Rs. 30,581 lakhs. Had the interest been provided at the documented rate, finance cost, net loss after tax for the period/year, total comprehensive income and EPS for the quarter and half year ended 30th September, 2020 would have been Rs. 9,102 lakhs and Rs. 18,531 lakhs, Rs. (11,706) lakhs and Rs. (26,769) lakhs, Rs. (11,736) lakhs and Rs. (26,828) lakhs, and Rs. (14.30) and Rs. (32.70) respectively as against the reported figure of Rs. 6,224 lakhs and Rs. 12,252 lakhs, Rs.(8,828) lakhs and Rs. (20,490) lakhs, Rs. (8858) lakhs and Rs. (20,549) lakhs and Rs. (10.78) and Rs. We are unable to obtain sufficient appropriate audit evidence about the recoverable amount of the Company's exposure. Consequently, we are unable to quantify the provisions for impairments in respect of the above and its consequential impacts on the financial results of the Company.
- iii. As mentioned in Note 11 to the statement, advance of Rs. 690 lakhs given to one of the suppliers of the Company against supply of goods, which are unsettled for the extended period of time, have been considered good for recovery by the management for the reasons stated therein. In view of the age of these balances, the absence of subsequent settlements and non-receipt of balance confirmations, we are unable to comment on the recoverability of the above advance and its consequential impacts on the financial results of the company.
- iv. As mentioned in Note 12 to the statement regarding the application filed with the National Company Law Tribunal (NCLT), by one of the operational creditors of JBF RAK LLC (JBF RAK), situated at UAE, a subsidiary of the company, against the Company, for supply of raw materials to JBF RAK and claim of Rs. 12,848 Lakhs (US\$ 19,899,091.53). 5. Material Uncertainty Related to Going Concern

Note 6 to the statement, regarding preparation of financial results on going concern basis, notwithstanding the fact that the Company has incurred the losses, defaulted in repayment of principle and interest to its lenders, lender have classified the Company's borrowings as NPA, one of the lender has declared the company as wilful defaulter also, some of the lenders have even called back the loans and one of the secured lenders have applied before NCLT under Insolvency and Bankruptcy Code, 2016. These conditions, along with other matters as set forth in above note indicate the existence of material uncertainty that may cast significant doubt about Company's ability to continue as a going concern. The appropriateness of assumption of Going Concern is critically dependent upon the Company's ability to raise finance and generate cash flows in future to meet its obligation. Our opinion is not modified in respect of this matter.

6. Emphasis of Matter

We draw your attention to:-

- (i) Note 4 to the statement, regarding invocation of corporate guarantee given by the company to the lender of JBF Petro Chemicals Ltd. ("JPL"). The company has denied above invocation and is of the view that above invocation is not tenable for the reasons explained therein and hence no provision against the claims under the invoked corporate guarantee is considered necessary.
- (ii) Note 7 to the statement, regarding non-preparation of consolidated financial statement due to the reasons mentioned therein. The company has six subsidiaries and is required to present consolidated financial results. However, the Company has not prepared and presented the consolidated financial statements/results required by Companies Act, 2013 and IND AS 110 "Consolidated Financial Statements" and the Listing Regulation.
- (iii) Note 8 to the statement, regarding the vacancy of the post of the Chief Executive Officer and Chief Financial Officer since 1st May, 2019 and 2nd March, 2020 respectively due to the reason as mention therein.
- (iv) Note 10 to the statement, as regards to the management evaluation of COVID-19 impact on the future performance of the Company. However, in future the impact may be different from those estimated as on the date of approval of these financial results.

Our opinion is not modified in respect of these matters.

7. Based on our review conducted as above, except for the possible effects of the matter described in the paragraph 4 above " Basis for Qualified Conclusion" and read with our comments in paragraph 5 & 6 above, nothing has come to our attention that causes us to believe that the statement, accordance with the recognition prepared in measurement principles laid down in the applicable Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed. or that it contains any material misstatement.
